The Hon'ble High Court, as per the Judgment read above, ordered that the competent authority among the respondents will take necessary action on the request of the petitioner contained in Ext P6 with respect to providing Government nominee for selection to the vacancies in Zoology and Physical Education. The Hon'ble Court also made clear that mere participation of the Government nominee in the selection committee by itself will not conclude the factual issue as to whether the vacancies, in question are substantive vacancies as per the workload norms of the University and such issue will arise for consideration at the time of approval of appointments by the competent authority concerned.

2. Government have examined the matter in detail and are hereby to nominate Sri. Bobby Antony, Joint Secretary to Government, Agriculture Department as Government representative in the staff selection committee of the Christ College, Irinjalakuda for filling up of the vacancies in Zoology and Physical Education, subject to the conditions that the appointment shall be done only in the sanctioned posts with sufficient workload as per prevailing rules.

3.The Director of Collegiate Education and the University shall ensure that the appointment will be done only in the sanctioned posts with sufficient workload, before granting approval for the appointments.

4. The Government representative shall furnish a report to Government within one week after the interview.

5. This order is issued in due compliance of the Judgment read above.
