Each Cell within that level represents the steps of annual financial progression of 3%. On recruitment / promotion/placement, an employee shall join at a particular level and progress within the level as per the vertical range. The movement shall be based on annual increments till the time of his /her next promotion/ placement. ## 2.3 Levels and Cells

The method followed by the 7<sup>th</sup> CPC shall be adopted in the academic pay structure also, moving from the concept of Pay Band and Academic Grade Pay to that of Levels and Cells. The pay shown in this cell would now be located in the new level corresponding to the post to which candidate has been placed. If a cell identical with that pay is available in the new level, that cell shall be the new pay; otherwise the next higher cell at that level shall be the new pay of the employee. If the pay arrived at in this manner is less than the first cell in the new level, then the pay shall be fixed at the first cell of that level.
